## PRESIDENTS MESSAGE

We have gotten off to a great start in 2022. Our speakers have been interesting and the attendance at the meetings has been great! In addition, several new people have joined and jumped right in to take positions and add spice to the events.

The charcuterie contest was fun and inspired creativity and interest. Many thanks to Norma Imel for chairing that event. On May 21 the book talk tea takes place with lovely tables decorated by members. This is a good chance to hear about excellent books for our summer reading list. Norma Inabinette has been busy planning this event

Members are looking forward to the plant sale in May and a bingo party in June! Remember please that even though we take a hiatus for July and August, the Patton House remains open so be sure to sign up for shifts or stop by to keep up on member news. Also open the website to see what is happening in town.

You have all inspired me with your friendship, energy, and willingness to try new ideas.

Thanks a million Thanks a million and keep spreading the word that our club is here and helping to keep Springville alive and busy!

Jeanne Preall

## SPRINGVILLE WINE WALK

The Springville Chamber of Commerce held its very first Wine Walk in Downtown Springville Saturday, May 7, 2022.

Tickets included a printed souvenir wine glass, depicting a horse and the words, "Get Un Corked in Springville". Participants were able to roam Downtown Springville and visit 11 local business locations that were each serving a variety of wine as well as varied appetizers at each stop. Each merchant was able to showcase their business location, themselves as owners, and what they have to offer the public. It was a good time for mingling and networking.

Each participant got a stamp on their raffle card at each

location. The stamps on their cards entered them into a door prize drawing at the end of the night. Raffle gifts included Stafford's chocolate, wine and wine-related items, as well as a weekend stay at Bear Creek Retreat Air B and B in Springville. The highlights of the day included participants checking in for and starting their Wine Walk experience at the Brand-New Chamber Headquarters in the Historic Elster Building, as well as the Chamber doing two Ribbon Cutting Ceremonies for new businesses in Downtown Springville: The Shoppe and The Bunkhouse.

The Community Club participated by providing the ever-essential hydration station, located in the Beautiful Patton House Garden and Gazebo, that included a variety of non-alcoholic drinks for the folks who needed a break from wine or perhaps were the designated driver for their group. The Community Club made a donation to the Wine Walk in the amount of \$100. The Chamber set aside \$35 from that donation to cover the annual membership fee for the Community Club's 2022 Chamber

membership. The remainder of the money was used to purchase non-alcoholic drinks for the hydration garden. The Chamber is most appreciative of the donation and looks forward to helping promote the Community Club this year.

Overall, the event was well attended, and local merchants were pleased to have so many people discover them during the Wine Walk.

## BOOK TALK TEA

Norma Inabinette

After a two-year hiatus, the 12<sup>th</sup> annual Book Tea was held on May 21<sup>st</sup>. Each of the tables was filled with ladies in their finery for a lovey afternoon of books and delicious food. The event presented a three-course luncheon of unique finger foods and the discussion of books chosen by the hostesses to share with the guests. The best part was the tables which were each decorated by each hostess to match

## APPLE FESTIVAL TEE SHIRT CONTEST

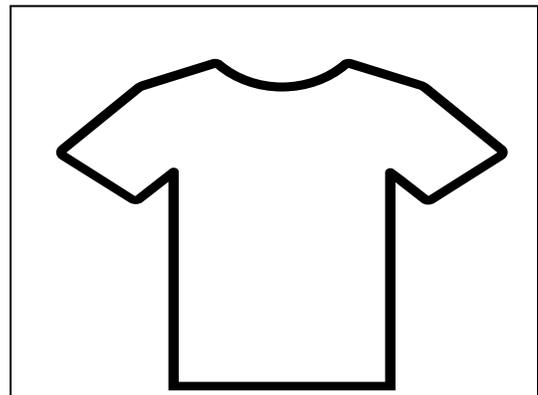

Judi King

We are deep into preparation for our 40<sup>th</sup> Apple Festival which will be held on Saturday, October 15<sup>th</sup> from 9 to 4. The item with the most pressing deadline is our T-Shirt design contest. Entries must be received by June 1, 2022.

Information on what is needed is on a flyer that is posted at the Patton House. The design can't be more than 8" by 8" and must contain the words Springville Apple Festival and Apple Fest 40.

If your design is selected, you will receive \$100 and a free t-shirt. We have received very few entries and none from our members, so hurry up and get your entries in.

Keep in mind the many opportunities we have for volunteering a little of your time either in preparation for the festival or on the day of the festival. We will need volunteers to assist at the Information booth, the opportunity drawing booth, and the t-shirt booth. We could also use some assistance with our costume contests and game booths that are in the park. And remember we are still in the process of planning and organizing this year's festival (we do not go dark over the summer), so if you have any constructive suggestions or would like to help in any way, please let me know.
