## PRESIDENTS MESSAGE

*Jeanne Preall*

Summer is finally winding down and it's time for the Springville Community Club to resume meeting. But members have not been idle. Patton House workers have busily operated our store all summer and sales have continued to be good.

The garden is gorgeous, and the gazebo is all painted and gleaming.

The Apple Festival Committee is finalizing plans for the Fall Festival. Melissa Lucas is planning for Empty Bowls. Velma has kept up with anyone needing a cheerful card. We are so lucky to be part of such a dynamic group! Why not join us for our meetings and bring a friend to see what we are up to!

It is my honor to be the president of this club and I am so proud of all we do to make Springville a great place!

## PATTON HOUSE VOLUNTEERS

*Carol Manning*

Patton House volunteers are the Clubs heroes. Each of the 17 Club members who volunteer are important in keeping the Patton House open Monday through Saturday. Some work one or two shifts a month while others work five or more

per month. Our superheroes have worked 45 or more shifts over the past year: Angie Soriano, Lien Childress, Sandy Whaling, Robbi Metzler, Karin Wiseman, Judy King, and Melissa Lucas.

The other Club heroes who volunteer are Dianna Saario, Jean Loscotoff, Marilyn Knesel, Velma Coats, Anne Beveridge, Barbara Forlano, Phyllis Taylor, Deniece McArthur, and Melody Inabinette.

The Patton House is the Clubs largest source of income and our visible presence in the community. It is a pleasant way to spend some time interacting with visitors to Springville and members of the community. If you would like to be a part of the team, Melissa Lucas or Phyllis Taylor would be happy to train you.

## APPLE FESTIVAL

*Judi King*

Our 40th Apple Festival will be held on Saturday, October 15th from 9 AM to 4 PM. This year we will be having costume contests for people and for pets in the park at 11:00 and 1:00. We are working on bringing in more kid and family friendly activities and entertainment. We will also have an opportunity drawing for different works of art from local artisans. There will be lots of apple baked goods available. We will be selling Apple Festival T-shirts in a booth next to the Information Booth. I will also bring t-shirts to sell at our meeting in September. At that meeting I will be presenting a program on the History of the Apple Festival. It will be a time to recognize all of the hard work put in over the past 40 years by the members of this club to create a legendary community event. As always, the committee has been working all year to make this festival a special time for

everyone in Springville. The Apple Festival is a primary fundraiser for many

of our local clubs and organizations, so come out and help support our community. The festival is staffed completely by volunteers and if you have a couple of extra hours where you would like to help out in any way, either at the game booths, the artisan opportunity drawing, vendor registration or the information booth, sign-up sheets will be available at our meeting. Melody Inabinette is handling volunteers for the festival. Also, if you know of anyone who is capable of and who would be willing to assist with doing the set-up and take down of items needed for the event, please let us know. This is a fun event so why not come out and join us.

## MERRY CHRISTMAS

*Norma Inabinette*

Soon the air will be filled with Christmas carols and the store shelves strewn with bright colored toys. It is not too soon for us to plan for this year's Angel Tree.

Receiving names from the Springville School, the tree in the Patton House will

be decorated with tags designating needy boys and girls who would so much love to have something special to make their Christmas morning bright. To

make this happen, Club and community members choose a tag(s) and purchase an appropriate gift for the child listed there. All of the beautifully wrapped gifts are delivered by the Lighthouse Chapel along with baskets of food to create a great holiday dinner for the family. The tree is erected the day after Thanksgiving and remains there for 2 weeks until all the gifts have been returned. We look forward to another successful and heartwarming Angel Tree. So wishing you a very early and most happy Christmas.

## EMPTY BOWLS

*Melissa Lucas*

Springville Community Club's Empty Bowls fundraiser will be held on November 6, 2022, from 11:00-3:00.

The money raised goes to our local Springville food pantries. We have not held this event since 2019, so I'll be reviewing what we need.

First, I need volunteers to make a pot of soup. We have had some delicious choices in the past. I need volunteers to serve, work in the kitchen, make and sell desserts, and sell tickets. The signup sheets will be put out at our September meeting. This is a wonderful community activity so please join in.

Give me a call anytime with what you would like to do. Melissa Lucas 788-7538.
