## **PRESIDENTS MESSAGE**

*Jeanne Preall*

Dear club members,

It is great to look forward to another inspiring and eventful year. Last year we regrouped and revitalized and added many new members. Everyone was eager to return after the pandemic to resume our lives of community and service. What a joy to meet new people and catch up on members we had not seen for a while. Let's keep the energy going as we approach 2023!

Guest speakers provided a wealth of interesting topics from the history of the apple festival to the use of drones by the sheriff's department. Sheri Smith also brought us historic quilts and a peek into the work done assisting fire fighters in California. We also widened our knowledge of the work done by our county supervisor, Dennis Townsend. I wonder what 2023 will bring!

Our members have many talents and share them in events such as the charcuterie contest, empty bowls soup kitchen, and bingo playing. There is no doubt we have a bevy of great cooks as we enjoy each meeting's hostess offerings. Soon we will begin work on a club cookbook created by these great cooks. Our gardeners showed their expertise at the plant sale and in the

Patton House garden. Each member brings skills and value to our group.

Along with all the fun our members also have work to do making the Patton House a success. Clerks, sorters, cleaners, buyers, and shoppers all contribute to making our community club store the hub of Springville. Everyone doing a little keeps us productive and successful.

Friendship is an important part of our mission, and it is displayed at every meeting as members re-connect and chat and craft future events. Cards, emails, and phone calls assure us that we are a part of a compassionate club. Stay connected and get to know our new members.

Springville is a richer community because we are here. The angel tree provides gifts to our kids, empty bowls feeds our hungry, and the Patton House clothes us all. In times of need our members step up and support each other and the community. It is my honor to be a part of such a marvelous organization.

## **SIDEBAR -**

The Patton House had it best ever month our sales totaled **\$ 6591.29** for December!

## PATTON HOUSE VOLUNTEERS

*Carol Manning*

Patton House volunteers are the Clubs heroes. All club members who volunteer are important in keeping the Patton House open Monday through Saturday. The Patton House is the Clubs largest source of income and our visible presence in the community. It is a pleasant way to spend some time

interacting with visitors to Springville and members of the community. If you would like to be a part of the team, Melissa Lucas or Phyllis Taylor would be happy to train you.

## APPLE FESTIVAL

*Judi King*

Our 40th Apple Festival was held on Saturday, October 15, 2022 and everything indicates that it was a huge success. We had big crowds and most of our food vendors sold out of their items.

Overall, all our vendors had a successful day. The Apple Festival committee made enough

from our vendor fees to pay all of our expenses and have money to make donations to the Boy Scouts, the 4H, React, SCICON and Concerts in the

Park. We are also looking to make a donation to Springville School.

The Apple Festival Committee met in November and discussed what went right and where we can improve for future Apple Festivals. It was agreed we would continue with a one-day festival for now. The date for the 2023 Festival will be October 21, 2023. The Apple Run and Fat Tire Classic Bicycle race will take place on Saturday with 8:00 AM and 11:00 AM start times. We are going to try our best to reinstitute use of a shuttle bus from the rodeo grounds to ease the traffic situation. We are also going to require that food vendors post their prices conspicuously for those who are waiting in line. We are also going to try to institute a hot-spot for phone connections.

If any of you who are reading this would like to help in any small way with next year's planning, etc. please let me or some other committee members know. We can use all the help we can get.

## MERRY CHRISTMAS

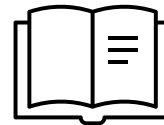

*Norma Inabinette*

Hear the Christmas bells ring. They are telling us that each of the 60 tags from 48 families was taken and each beautifully decorated package returned.

I want to thank each of you for your generosity and kindness in making this

Christmas a happy one for a child who deserved a special Christmas. You are the definition of Christmas with your generous giving and it is gratefully appreciated.

Special thank you to the Lighthouse Chapel who delivers the gifts along with food baskets to make sure every family member is included in the community good wishes.

## **BOWLS / Melissa Lucas**

Springville Community Club's Empty Bowls fundraiser was held on November 6, 2022, from 11:00-3:00.

The money raised was \$1991.00 and is all due to the wonderful Community Club volunteers. We served 14 delicious varieties of soup with bread donated by Save Mart. The desserts that were for sale were sweet and delightful.

The funds that were raised will be divided and given to three local Springville food pantries-Pleasant Valley Chapel, Ignite Ministries and Springville First Baptist Church. Each of these churches received \$660.00 from the efforts of the Springville Community Club. The last time this event was held was 2019.

I want to THANK all the volunteers who helped cook, bake, serve, and clean up. It made a big job run effortlessly and smoothly.
